While Sonic is in Gigapolis Maximum Prison, Tails and Tooth Pick are going around Spring Yard City looking for clues to stop whoever stole the golden diamond.

Tooth Pick Gator asks a young teenager Mobian, "Have you see anyone taking stuff?"

"I think so, my friend ? saw something but it turned out to be the guy next door", the teenager replied.

Tooth Pick and Tails walked past the Mobian, knowing that she wouldn't provide any clues. Tails is thinking since he is rubbing his chin.

Tails yelped, "I've got the place Tooth Pick, the Chilidog and Golden Diamond Museum."

Tooth Pick Gator slapped his forehead since he forgot about the most obvious clue to freeing Sonic. "Of course, why didn't I think for that!"

The brown fox and the suited aligator head back to the museum and approached the golden diamond exhibit. The place was in the same state before Sonic got arrested except that there was a sign saying the Golden Diamond is missing! While Tooth Pick studies the glass, Tails picked up the Bad-Breathaway spray left by Robotnik.

Tails spoke, "Hey Tooth Pick, I think I've found a clue."

Tooth Pick smiles and heads towards Tails.

"Hmmm.... Bad-Breathaway. They don't sell that in Spring Yard City but look at the fingerprints Tails", thought Tooth Pick.

Tails and Tooth Pick look at the fingerprints which are black and too chunky to be anyone except for one person.

Tails shouted, "That's Dr. Robotnik's fingerprint so that means we will have to stop him and free Sonic."

Back in Gigapolis Maximum Prison, Sonic is still in his cell looking at the window.

Sonic thought, "By the time I'm outta here, Tails would be all grown up and depressed."

Sonic grabbed a tissue and is wiping his eyes looking really worried like never before in the series.

"I miss my little buddy, sure we had our ups and downs but we was the best friendship in Mobius", screamed Sonic.

Suddenly someone shouted, "Fire in the hole!"

The shout came from the left which sounded like Crimewave Clyde. Clyde threw a flaming piece of paper towards the cell locking system. The locks were melted into green slop and criminals shouts unaudiable words and start chasing the guards, sirens go off.

Sonic sighed, "If nobody makes this hedgehog free, I might go into shock."

Meanwhile back in Spring Yard City, Scratch and Grounder were enjoying the capture of Sonic.
